nbn publishes Annual Report 2015-2016

nbn today tabled the company's Annual Report 2015-2016 to Parliament outlining the operational and financial results for the 12 months ended 30 June 2016.

The report highlights the rapid expansion of the **nbn**[™] network to connect Australia and bridge the digital divide, by outlining the incremental progress of the rollout by technology type and the financial performance throughout the year.

Financial results for the reporting period were announced on [16 August](#); however the Annual Report publication includes the full disclosure of our financial statements and detailed review of the financial year.
